

Meet the cleaner  
and all-around  
assistant, always  
ready to lend a  
helping hand!

## Mirriam Thibogang

### About Me

I began working at a young age in a takeaway shop, which inspired me to pursue a career in education. At Eldy's Daycare, I have the privilege of fulfilling my passion for caring for the school and the children, while also contributing as the cleaner. I truly love my job at Eldy's Daycare, where I take pride in maintaining a clean and welcoming environment for everyone. As a single parent, I've raised many children, which has strengthened my dedication to nurturing and supporting young ones.

### My Intrest

I love animals, hence I have 2 dogs and 2 chickens that I adore.

### Experience

I have cared for both children and pensioners, a role I truly loved and found deeply fulfilling. I hold a Level 1 First Aid Certificate and am a qualified cook, bringing both skill and passion to everything I do. Since joining Eldy's Daycare Centre in 2018, I've dedicated myself to creating a nurturing and supportive environment as a professional who loves working with others.

### My Motto

Life has taught me the value of patience, the importance of truly listening, and the courage to stand up for what I believe in.
