

Meet the teacher

SANDRA GREYVENSTEIN

My passion is to help and teach young children, show their minds the importance of learning, and being a good person with a gentle heart brings you far in life.

Teaching is a huge job that comes with pretty big shoes to fill.

I know that I can make a big difference in the lives of my students. I want to change lives, love the children who needs love the most and be loved by them.

I am a qualified ECD teacher. I have my NQF 4 and NQF 5 teaching diploma. I have a level 1 First Aid, and special needs. I have been with Eldy's daycare and aftercare centre since 2019.

I am a friendly and faithful child of God. Blue is my favorite color, and I enjoy watching romantic movies and spending quality time with my family.

My favorite foods are pasta and chocolate—simple joys that make life sweeter.

It takes a big heart to help shape little minds. A teacher takes a hand, opens a mind, touches a heart and put a smile on a beautiful face.
